

Councillor Report to Prees ward, June 2025

Councillor Updates

- Member of the following committees:
 - Transformation and Improvement Overview and Scrutiny
 - Audit
 - Pensions
- I have contacted the schools in the ward with an introduction and a suggestion of a school visit. I am visiting Adderley CE Primary School on Friday 11th July
- I have arranged for a regular monthly surgery at the Adderley Village Hall coffee morning on the last Saturday of every month, but still looking to set-up regular surgery sessions for Prees, Higher Heather, Faults, Moreton Say.
- Selected casework:
 - Supporting a resident relating to Council Tax demand
 - Establishing the status and completion process for a Planning Application
- Is there a Parish / local Neighbourhood Plan? If not, creating one might help the wider Council partnership approach (see below); further information at:

Council Updates

- Letter to all Town and Parish Councils 3rd June setting out a new approach to partnership between the local Councils and Shropshire County Council. There will be a call for information running for 2 months to gather views, with the aim of recommending policy changes before end of 2025:
 - Your views on how the partnership should work and how we have an equal say in making our communities and services the best they can be;
 - Your experiences engaging with Shropshire Council (e.g. highways, planning, developer levies, communications);
 - Your thoughts on how we can improve;
 - And which services you believe could be better delivered locally either by Town and Parish Councils, using local providers, or in partnership with Shropshire Council.
